Become an
Engineering
Graduate Student
Ambassador

A. JAMES CLARK
SCHOOL OF ENGINEERING

MARYLAND APPLIED GRADUATE
ENGINEERING

The Engineering Graduate Student Ambassador Program

PROGRAM OVERVIEW

The **Graduate Student Ambassador Program** is designed to connect new and prospective students with current graduate students in the **Professional Master of Engineering Program**. This connection will allow existing students the opportunity to provide valuable insight to newer students as they navigate through the graduate school process from the point of interest to admission and matriculation.

Ambassadors will serve as representatives of the Clark School Professional Master's program. Ambassadors will participate in campus and regional recruitment events, as well open houses and information sessions to interact with and inform future Grad Terp Engineers.

DUTIES

- Attend new graduate student orientation in Spring and Fall.
- Communicate with prospective and admitted students through various communication mediums including emails, phone calls, and in-person exchanges.
- Participate in large-scale graduate student recruitment events such as Graduate Engineering Open House and local/regional graduate fairs.
- Participate in monthly online Grad Chats.
- More duties as assigned.

QUALIFICATIONS

- Must be a current student in the Professional Master of Engineering program.
- Must be in good academic standing.
- Must be committed for at least one year.
- Possess excellent communication skills (both oral and written).
- Be well-presented and comfortable speaking to large groups.

How do I apply?

Applicants can apply online at mage.umd.edu/ambassador

For more information email Caitlin Gover, cgover@umd.edu
