

# Graduate Student Orientation – Technology Resources

Jim Zahniser,  
Engineering Information Technology

# Agenda

- Directory ID
- ELMS - Canvas
- Distance Education Technology & Services
- Seigel Learning Center
- Terpware
- Virtual Computer Lab
- Other Services/Resources

# Directory ID

- Your username and password for almost everything on campus

[https://directory.umd.edu/password?new\\_user](https://directory.umd.edu/password?new_user)

- Email

- All students receive [username@terpmail.umd.edu](mailto:username@terpmail.umd.edu) Google account and can retain this after graduation
- Students with jobs also receive [username@umd.edu](mailto:username@umd.edu) which should be used for work related purposes
- If you do not have a job, [username@umd.edu](mailto:username@umd.edu) will forward to [username@terpmail.umd.edu](mailto:username@terpmail.umd.edu) for the period of time you are enrolled at UMD.

## ELMS – Canvas

- Location of your course materials
  - Course documents
  - Assignments
  - Discussion boards
  - Lecture videos (DETS courses)
  - Communication Tools
- URL:
  - <https://umd.instructure.com>
- Support:
  - [enr-canvas@umd.edu](mailto:enr-canvas@umd.edu)

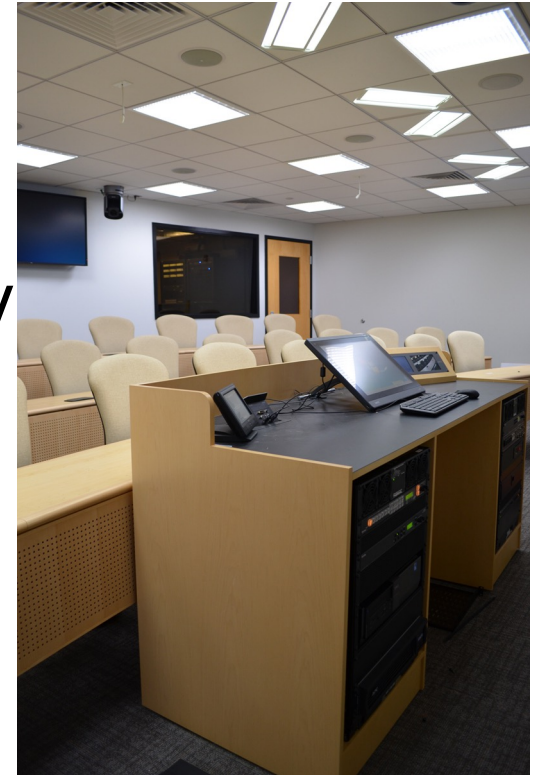

## Distance Education Technology and Services (DETS)

- Delivery Methods
  - Regional Center Synchronous Video
  - “Live” Lectures
  - Archived Lectures
- URL:
  - <http://www.dets.umd.edu/>
- Support
  - [dets-support@umd.edu](mailto:dets-support@umd.edu)

# Seigel Learning Center

- Completely digital capture system
- Increased number of display tools for Faculty
- Improved room acoustics and microphone design
- Centralized support

# Terpware (Free Software)

- Microsoft Office
- Adobe Creative Suite
- MatLAB
- Many more...
- URL:
  - <http://terpware.umd.edu/>
- Support:
  - [itsupport@umd.edu](mailto:itsupport@umd.edu)

The logo for TERPware, featuring the word "TERPware" in a large, bold, yellow font on a dark red background. A small white box with the text "TERPware" is positioned to the right of the main text.

TERPware

## Virtual Computer Lab (VCL)

- Access engineering software programs remotely:

- Matlab
- EES
- ProE

**Virtual Computer Lab**

Provided by  
Engineering Information Technology

- Free Citrix Client software needed
- URL:
  - <http://www.eit.umd.edu/vcl>
- Support
  - [vcl-support@umd.edu](mailto:vcl-support@umd.edu)

## Other Services/Resources

- UMD Branded Gmail for Students:
  - <https://terpmail.umd.edu/>
- Terrapin Technology Store
  - <https://techstore.umd.edu/>
- Wireless Printing
  - <http://ter.ps/wepa>
- Zoom Web Meetings
  - <https://umd.zoom.us>
- Box.com (50GB of online storage)
  - <https://umd.account.box.com/login>

# Questions/Comments
